District Mine Inspector,
Yellowknife,
N.W.T.

Dear Steve:

If the money is available in time, I shall be arriving in Yellowknife on Saturday the 23rd along with a new assistant named Michael Pockney. Will you please try to get us two singles with bath in the Modernaire or in the Hotel.

As usual I will need two dozen quart sealers but I suppose there will be a supply of those available.

Regards,

J.P. Windish,
Industrial Hygienist.
