Ottawa, Ontario.

Dear Dr. Kay:

I have a note from our Mill Superintendent at Con with regard to a verbal request made by Jack Windish for information concerning roaster tonnage and arsenic content of feed and calcine.

We do not ordinarily divulge information concerning the operation except under confidential cover and on written request. Will you please, therefore, let me have a note covering the data required and with an indication to show the purpose for which the data is to be used.

Sincerely,

K. Raht,
Senior Research Engineer.
