OTTAWA, Ontario.

Dear Mr. Windish:

With regard to your letter of September 11th, in which you indicate that your report entitled "The Arsenic Problem at Yellowknife", is now complete, and may, with the mutual consent of ourselves and Giant, be exchanged between the two companies. I have consulted Mr. Jewitt, our Assistant General Manager and have his agreement that there is no objection to the exchange of this information. I will be very pleased to receive a copy of your report.

Yours truly,

K. Raht
Sr. Research Engineer.
