Dr. O. Stanton,  
Medical Officer of Health,  
Yellowknife, N. W. T.

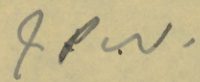

Dear Dr. Stanton:

Attached are copies of memoranda on the following subjects:

- (a) Arsenic collection efficiencies at Con mine, Yellowknife.
- (b) Arsenic collection efficiencies at Giant Yellowknife mine.
- (c) Arsenic discharged to the atmosphere at Yellowknife, 1954-56.

I shall be in Yellowknife from December 6th to December 15th and shall be in to discuss these with you during this time.

Yours very truly,

  
J. P. Windish,  
Industrial Hygienist.
