Mr. Ken Grogan,
General Manager,
Giant Yellowknife Gold Mines, Limited,
Yellowknife, N. W. T.

Dear Ken:

Attached are two copies of a memorandum reporting our figures on arsenic collection efficiencies at Giant, as determined by our stack sampling tests in July of this year.

I'll be in Yellowknife from December 6th to 15th and I will be in to see you sometime during this period.

Yours sincerely,

J.P.W.
