

Dr. K. Kay

C455-10-13

J.P. Windish

September 14, 1956.

Ken Christie says that if we want an increased grant from Northern Affairs Department to cover Yellowknife expenses, we should request it in a letter from our Deputy Minister to their Deputy Minister. I am therefore attaching a letter which I have drafted for Dr. Cameron's signature setting out our case.

Do you wish to send it on?

J.P.W.
