YELLOWKNIFE P.O.
NORTHWEST TERRITORIES
CANADA

May 8th, 1956

Department of National Health & Welfare,
Laboratory Services,
Occupational Health Division,
200 Kent Street,
Ottawa, Ontario.

Attention: Mr. J. P. Windish
Industrial Hygienist

Gentlemen:

Ref.: Your File No. C455-10-13

Your suggestion regarding collaborative tests on arsenic samples is a good one. We would like to receive your samples as early as possible, and will prepare some samples right away for your determination. We would prefer to do this work immediately because our laboratory will be much busier later in the season.

Yours very truly,

GIANT YELLOWKNIFE GOLD MINES LIMITED
