Dr. E.A. Watkinson,  
Chief, Occupational Health Division,  
Department of Health and Welfare,  
Jackson Building,  
Ottawa, Ont.

Dear Sir:

Thank you very much for your letter dated December 27th  
(reference 455-10-13).

We are sending the information concerning arsenic concentrations in the snow at Yellowknife to our operational research group at Edmonton, and will let you know if we have any further inquiries.

Yours truly,

*G. K. Davies*

for Chairman, Defence Research Board
