Dear Sir:

It is of concern to the Town of Grimshaw in the Province of Alberta that your at present transporting Arsenic Trioxide within our vicinity. The concern is not so much as to the type of chemical however, we would wish to be advised of the method and the route of shipment in order that our Fire Department and local personnel could be duly informed and if an accident did occur we would be prepared to undertake corrective measures.

We trust that you will co-operate with us in this endeavour at your earliest convenience. Thank you.

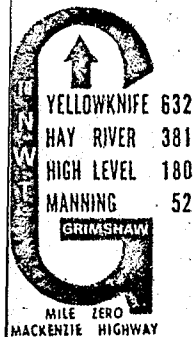

Yours truly,

Raymond A. Rondeau
Secretary - Treasurer
