DATE: January 11, 1979

TO: D.J. Emery 

COPIES TO: W.A. Moore

FROM: P.J. Raleigh

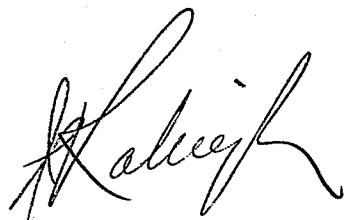

SUBJECT: DRAFT OF KOPPERS AGREEMENT

As discussed with you this morning, I am forwarding a copy of our latest draft on the subject agreement. We believe it covers all the points brought up by both you and Mr. Moore along with others currently involved.

I am also forwarding a copy to John Hite at Koppers for his review, prior to further discussions with them currently scheduled for January 24th in Pittsburgh.

May we have your comments on the draft and any other input that you or Bill have time to give us.

The current document has been worked up with the aid and approval of Tony Seth of the Falconbridge Legal Department, who will be the legal adviser on the project.
