JUNE 19/79 MSG NO 4198

ATTENTION: MR D J EMERY

KOPPERS HAVE REQUESTED COMMENTS ON OUR ABILITY TO SELL AS203 TO THEM IN 1980.

RECENT DELAYS DUE TO TEST WORK AND EQUIPMENT DELIVERY SCHEDULES MAKE PRODUCTION BEFORE THE FALL OF 1980 SEEM UNLIKELY IF CURRENT THINKING ON TESTING AND EQUIPMENT IS TO BE PERSUED.

DO YOU WISH ALTERNATIVE APPROACHES TO BE PERSUED, OR ARE WE LOCKED IN TO THE EXTENDED SCHEDULE.

RE AKAITCHO HEAD FRANCE RE USE IS THERE A 65 TON MOBILE CRANE WITH A 100 FOOT BOOM AVAILABLE FOR RENT IN YELLOWKNIFE?

P J RALEIGH
