J. W. Grange, P. Eng.,
District Engineer,
Dept. of National Health & Welfare,
Public Health Engineering Division,
541 Federal Public Building,
Edmonton, Alberta.

Dear Jack:

Thanks for your letter of July 28, 1966. I think it would be a very good idea for us to run a check on the Giant tap water samples taken by Mr. Gillis. He should deliver the samples to Bill Richardson at our Assay Office. We will send our results to you with a copy to Mr. Gillis.

Yours very truly,

GIANT YELLOWKNIFE MINES LIMITED
