

**MEMORANDUM OF AGREEMENT**

March 5, 1991

This agreement is binding between Giant Yellowknife Mines Limited (Giant), Environmental Protection Services (EPS) and Pollution Control Division/Renewable Resources (PCD), Government of the Northwest Territories.

The parties agree to share equally in the costs paid to Western Research - Calgary, for Sulphur Dioxide Monitoring Stations and the sampling therein. The samples will be taken over approximately a twelve (12) month period on a monthly basis by Giant personnel and analysed by Western Research. The total estimated costs for the project are approximately \$7,888.00 excluding freight, GST, set up, monitoring, and interpretation which are covered by Giant.

Giant agrees to provide PCD and EPS with a copy of analysis results as they become available. Each party will advise the others if any part or whole of the reported analysis is distributed outside the respective group.

Each party agrees to cover \$2,630 as their contribution to the project. EPS and PCD will each be invoiced for \$1,315 as of April 1, 1991, and the remaining \$1,315 as of September 1, 1991, which is the final month of the project.

Signed in agreement this 15th day of April, 1991 in Yellowknife, Northwest Territories.
