Mr. K.W. Nelson,
Vice-President,
Environmental Affairs,
ASARCO Incorporated,
120 Broadway,
New York, N.Y. 10005
U.S.A.

Dear Mr. Nelson:

I have received a copy of your letter of January 14, 1976 to Dr. Schaefer regarding the study on arsenic exposure in Yellowknife.

Enclosed please find a copy of the press release on the study dated 3 October 1975 along with a copy of the report itself.

Please advise me if you require any further information on this matter.

Yours sincerely,
