H.P. noted.
18/5/75

Consultant, Occupational Medicine,
Medical Services, 370 Catherine Street.

B-1.2

Regional Director,
Northwest Territories Region.

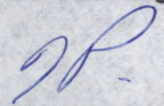

May 14, 1975.

Attention: Dr. R.D.P. Eaton.

We are enclosing, for your information, the list of names of people examined in the 1966 study and have included the occupations as identified on the records. The address of each individual is just Yellowknife.

Should you decide to re-examine any of these individuals, we would be pleased to send you the clinical information of the 1966 study on specific cases for possible comparison of findings.

M69/691

T. H. Patterson, M.D.
