Memorandum to:
Members of the Northern Mineral Advisory Committee

Minutes of the last meeting, August 31, 1979

At this meeting the final Report of the Committee was presented to the Minister, Honourable Jake Epp. Significant comments in these minutes can be found as follows:

Chairman's remarks:	Pages 7-8-9
Minister's remarks:	Pages 19 through 26

Also enclosed is a copy of the group photo which was taken by Evan Browne of the Information Operations Division. We had earlier planned to put these into card frames, but when we got a look at the price we felt the members would appreciate our interest in economy and go along with our decision not to provide them. I find they fit very nicely on the inside of the back cover of your report.

It will be of interest to note that we had printed 750 English and 100 French copies of the report and are currently requesting that a further 200 be printed as our supply is almost exhausted.

R.A. Eastman,
Secretary.
