

MAX FOR GENERAL REPORT

OF

THE NORTHERN MINERAL ADVISORY COMMITTEE

(A) Summary

- (1) Brief statement of how the Committee was constituted and its purpose.
- (2) Statement of Eight Recommended Policies without elaboration.
- (3) Brief statement of Recommended Strategies:
 - Land Use (a) Independent Advisory Body for screening withdrawals.
 - (b) Improvements in Land Use regulations.
 - (c) Thelon Game Sanctuary.

Fiscal Brief Statement of Recommendations.

Participation by Northern Residents

Brief statement, emphasizing fiscal means.

Infrastructure

Industry to co-operate in market studies.

Re-organization of DIAND

- (a) Transfer of administration of Northern Resources to Territorial Governments.
- (b) Appointment of permanent Advisor on Mining to the Minister.

Consultation

Recommend continuation of consultative process through joint Industry-Government Advisory Committee.

(B) Preamble or Introduction

1. History of Events leading to formation of Committee.
2. Make-up of Committee. How the members were chosen, their names and background (would this be in an Appendix?).

.../2

3. Terms of reference of Committee.
4. Schedule of Committee (times and places of meetings, appearance of outside experts).
5. Sub-committees, membership, etc.

(C) Statement of Recommended Policies

The eight point Policy Statement would be given, but in each case there would be a review of the reasons behind each statement.

(D) Recommended Strategies

The recommendation of strategy given in the Summary would be repeated, but again with elaboration of the thinking behind each recommendation.
