November 7 1978

Dear Director:

The Chamber's regular monthly meeting scheduled for Tuesday, November 14 will NOT be held on that date because too few Directors can attend. Another date will be decided.

I would like to make a suggestion that the NWT Chamber publish an annual report this year in time for the Annual General Meeting, Thursday, December 7. If the Directors agree to the publishing of such a report and if it can be printed in time, the report would include the President's report, the audited financial statement and paragraphs detailing matters that have concerned the Chamber this year. The report would be as complete as possible but also as brief as possible and only typeset and printed if it can be done at reasonable cost. I have gone through the minutes and selected some items which should be summarized for the report:

BAKER LAKE STUDY

MINE INSPECTION TRANSFER

CANADA MINING REGULATIONS

NORTHERN MINERAL STRATEGY

MINERAL INDUSTRY STUDY (Price Waterhouse)

PARKS CANADA PROPOSALS

JOINT MEETINGS WITH OTHER CHAMBERS, ASSOCIATIONS, INDUSTRY REPRESENTATIVES
AND MINISTER FAULKNER, MINES MINISTERS MEETING

HAY RIVER ECONOMIC CONFERENCE AND RANKIN INLET ECONOMIC CONFERENCE

MINING DAY 1978

FALL FAIR MINING DISPLAY, MINERAL AWARENESS PROGRAM

SEMINAR ON EMPLOYMENT AND TRAINING OF NORTHERN RESIDENTS

SURFACE LEASES

TAXATION (what aspects, if any, benefits?)

Comments on the idea of a report and additions, deletions to the above items can be made at the next meeting, hopefully within the next two weeks.
