Ottawa, August 9th, 1950.

Dr. K. C. Charron,
Chief, Industrial Health Division,
Department of National Health and Welfare,
Ottawa, Ontario.

Dear Sir:

Re: Arsenic Disposal Con Mine, Yellowknife

With further reference to my letter of August 4th, with which I forwarded to you a recent letter from Mr. W. G. Jewitt, I now enclose a copy of a letter dated August 4th from The Consolidated Mining and Smelting Company of Canada, Limited, signed by the company's General Superintendent of Exploration and also by their Chief Engineer, together with the enclosures mentioned therein.

I would be obliged if, after studying the enclosed material, you would return it, complete, to this office for our files.

Our Chief Inspector, Mr. K. J. Christie, is at present in the Yukon and will not be available for the Yellowknife District until some time in the early part of September.

Yours very truly,

G. E. B. Sinclair,
Chief, Lands Division.

Encls.
