

GIANT YELLOWKNIFE GOLD MINES LIMITED

YELLOWKNIFE P.O.

NORTHWEST TERRITORIES

CANADA

July 31st, 1951

Dr. Kingsley Kay,
Department of National Health and Welfare,
Ottawa, Ontario.

Dear Dr. Kay:

The following are the results of water and vegetation samples taken July 9th, in connection with the continuing arsenic survey.

Water Samples

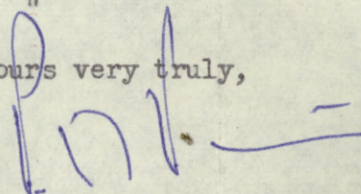

1-1	-	0.03	Mgs. per litre	✓
1-2	-	1.10	" " "	✓
1-3	-	0.54	" " "	✓
1-4	-	0.02	" " "	✓

Sample No. 1-5 has been discontinued as this was formerly taken in Bow Lake which is now being used as a tailings disposal area.

Vegetation

3-1	-	0.03	Mgs. per gram
3-2	-	0.21	" " "
3-3	-	0.15	" " "
3-4	-	0.22	" " "
3-5	-	0.07	" " "
3-6	-	0.60	" " "
3-7	-	0.16	" " "
3-8	-	0.15	" " "

Yours very truly,

P. N. Pitcher
General Superintendent

PNP/bp
