Dear Dr. Kay:

I have your letter of August 3, 1951, in which you indicate your projected environmental and biological survey in the Yellowknife area. This will be quite a job and a very interesting one.

I am passing your letter on to Mr. W.G. Jewitt, our Manager of Mines, and would suggest that you write him with regard to my service or part in the survey.

Sincerely yours,

*K. Kay*
