ADDRESS REPLY TO
LANDS DIVISION

Yellowknife, N.W.T.
December 4th, 1949.

Mr. R.J. Traill,
Chief, Metallurgy Division,
Bureau of Mines,
Dept. Mines & Resources.
Ottawa, Ont.

Dear Mr, Traill:-

Attached please find four copies of the report.
I did not append the pictures of the trenches because they
didn't turn out so well, however I will take some snaps of
them later this week. I start my mining inspections at Negus
to-morrow morning, so had better hit the hay now.

Will you send R.A. Gibson one copy of the report
after it has been signed, please. Will see you in Ottawa about
the 21st. All the best,

Sincerely,

Ken.
