Mr. K. Raht,
The Consolidated Mining and Smelting
Company of Canada Limited,
Chapman Camp, B.C.

Dear Mr. Raht:

This will acknowledge receipt of your letter of 21st January giving analytical data on Yellowknife water specimens. Mr. Christie and I were discussing the levels in Kam Lake which appear to be rising and there was some talk of having to check the possibility of this water supply being consumed.

Yours very truly,

Kingsley Kay,
Chief,
Industrial Health Laboratory.
