

Mr. C.A. Summers

December 11, 1951

Urine Bottles for Yellowknife.

Will you enquire into the attached charge for a box to Yellowknife. If this is one box of 24, 50 would obviously cost in the neighbourhood of \$35.00 per trip. I am afraid future shipments will have to go train to Edmonton, air cargo to Yellowknife.

Kindly contact Mr. Monkman and arrange to have these bottle shipments put through you each time.

KK/CP

Kingsley Kay.
