AIRMAIL

Dr. Kingsley Kay,
Chief, Industrial Hygiene Laboratories,
Dept. of Health and Welfare,
200 Kent Street,
Ottawa, Ontario

Dear Dr. Kay:

Mr. Raht has asked me to answer, on behalf of our Company, your letter to him of February 11th.

We appreciate your invitation to Mr. Raht to join you as co-author but regret this will not be possible since it is not our Company's policy in such matters. However, I understand Mr. Raht is willing to assist you with some details and there would be no objection to the use of our Company's name in your paper, but would appreciate the opportunity of reviewing a draft of the paper, before presentation, as you suggest.

I understand Mr. Raht will write to you suggesting what he thinks might be said about the Con collection system.

Yours very truly,

(Signed)
W. G. Jewitt
