Department of National Health and Welfare  
Ottawa

Dear Dr. Charron:

*Dr. Key*  
We sent you a copy of our letter of the 30th of October, 1951, to Dr. O.L. Stanton, Medical Health Officer, Yellowknife, N.W.T., about the arsenic survey which it is proposed to undertake at Yellowknife in the near future.

We have now received a reply from Dr. Stanton, a copy of which is attached for your information.

Yours very truly,

*C.K. LeCapelain*

Chief, Lands Division  
Northern Administration  
Ottawa, Ontario

Dear Mr. LeCapelain:

Your letter of October 31st received. As I arranged with Doctor Kay earlier this year, I will try and give his party adequate laboratory facilities. Mass sampling of 100 persons may be a little difficult.

Yours very truly,

(SGD) O.L. Stanton
