Dr. O. L. Stanton,
Chief Medical Officer,
Yellowknife, Northwest Territories.

Dear Olie:

In order to complete our arsenic studies in Yellowknife I propose to arrive around the 9th of May subject to your approval. The purpose is to gather your hospital statistics from November 51 to December 52, so that we may have a complete 5 year period. I hope you agree to this proposal and look forward to seeing you in the near future.

Sincerely yours,

D. L. Henderson, M.B., D.P.H.,
Occupational Health Division.
