Dear Mr. Raht:

It has seemed best to defer my proposed visit to Yellowknife as Ken Christie, whom I wanted to have present, has been acting for Mr. LeCapdelaine during his absence and will not be able to get away for several weeks.

I am wondering if you could come to Ottawa later on should we decide to hold a review of the Yellowknife situation here. At that time we might also discuss Pine Point. Would you be able to act on that matter?

Yours sincerely,
