ARSENIC SURVEY-YELLOWKNIFE-N.W.T.

Dear Dr. Kay:

As you are aware, the Government of the Northwest Territories appropriated \$2000. to provide for the continuation of the arsenic survey being carried out at Yellowknife by your department during the current fiscal year.

It was explained to your Mr. Dillon by Mr. Doyle of this branch that \$54.80 of the \$2000. provided had been expended by the branch on items directly connected with this survey, leaving \$1,945.20 available for transfer to your department. In this connection I have pleasure in attaching financial encumbrance in this amount. It is understood that your department will follow the system adopted in previous years, of reporting expenditures chargeable to this financial encumbrance by the regular journal voucher procedure.
