Directorate of Weapons and Development,
Army Headquarters,
Ottawa, Ontario.

Dear Captain Morris:

In 1951 and again in 1952 you very kindly loaned some Arctic clothing to one of our officers, Mr. J. P. Windish, when he went to Yellowknife on business for our Department.

We should very much appreciate it if you would be kind enough to outfit him again for a trip which he expects to make about November 20th.

Yours very truly,

KK
