Kimberley, B. C.,  
July 30th, 1954.

Dr. Kingsley Kay,  
Chief,  
Occupational Health Laboratory,  
Department of National Health and Welfare,  
200 Kent Street,  
Ottawa, Ontario.

Dear Dr. Kay:

Regarding your letter of July 19th, I would advise that I will be pleased to attend your proposed meeting to discuss or review the Yellowknife problem.

I am not clear as to your meaning with regard to Pine Point, and will appreciate any information on this so that I can pick up the thread at this end.

Sincerely yours,

A handwritten signature in dark ink, appearing to read "K. Raht".

K. Raht,  
Senior Research Engineer.
