

Occupational Health Laboratory

200 Kent Street,  
Ottawa, Ontario.

May 17th, 1954.

Mr. Steve Homulos,  
Mining Inspector,  
Yellowknife, N. W. T.

Dear Steve:

Dr. Kay would like to receive each month the roaster tonnages processed by Giant and Con. Ken Christie suggested that I write directly to you for this information. Dr. Kay would certainly appreciate it if you would keep him up to date on this data until further notice.

Kindest regards.

Yours sincerely,

J. P. Windish,  
Industrial Hygienist.
