OTTAWA, October 19, 1953.

Mr. Kurt Raht,
Senior Research Engineer,
The Consolidated Mining & Smelting Co.,
Sullivan Concentrator,
Chapman Camp, B. C.

Dear Mr. Raht:

Receipt of your communications of 16th and
18th September is acknowledged with thanks.

I am now preparing a report on environmental
findings at Yellowknife so I will possibly be com-
municating with you about certain details shortly.

Yours sincerely,

KK.

KK/MV.

Kingsley Kay,
Chief,
Occupational Health Laboratory.
