OF

RESOURCES AND DEVELOPMENT

File: 61

Yellowknife, N.W.T.,
31st October, 1951.

MEMORANDUM FOR THE DIRECTOR:

I wish to inform you that the Giant Cottrell Plant was put into operation on Monday, October 29th. An expert from the Cottrell people will be on the job until all the kinks are ironed out and the plant operating smoothly.

S. Homulos,
Mining Inspector.
