Stephen;

I understand you are out of your office today. I wanted to take the time to see if you received the cabinet, pitot tube and pressure and temperature transmitters. Also I wanted to let you know I will be on holidays August 1 to 24 inclusive. Peter Giersch, our service tech, will be contacting you soon to make arrangements to come up and provide commissioning assistance. You can issue the purchase order to myself or Peter. Please call me if you have any questions or concerns.

Hope all goes well!
Chris
