DAN ZERALDO

KENT MORTON SPOKE TO WALTER WILLMS OF TRIMAC TODAY TO ADVISE HIM THAT WE WERE READY TO ACCEPT THIER TRUCKS ON A REGULAR BASIS FOR LOADING ARSENIC. BUT IT SEEMS AS THOUGH TRIMAC HAVE TWO TRUCKS LOADED, ONE IN ATLANTA, ONE IN CALGARY. THEY SAY KOPPERS TELL THEM NOT TO LOAD ANY MORE UNTIL KOPPERS CAN SOLVE THE UNLOADING PROBLEM. WE LEARN ALSO THAT TRIMAC DOESN'T HAVE A FIRM LONG-TERM CONTRACT YET WITH KOPPERS

ANYWAY, WE ARE READY TO SHIP BUT KOPPERS WON'T RECEIVE ANY RIGHT NOW
