Dear Pat:

Some time has passed since our last meeting, and I have still seen no evidence of your returning an executed copy of the arsenic trioxide processing secrecy agreement that you had previously agreed to sign.

Pat, I have to say that I am somewhat disappointed by this delay. We revealed our information to you on the basis of your verbal agreement that the secrecy agreement was satisfactory and that it would be executed. This was a display of good faith on our part. I hope it was not misplaced.

We will appreciate an early receipt of the fully executed secrecy agreement.

Very truly yours,

John D. Hite
