SINCE FRANK PICKARD IS COMING TO GIANT THE WEEK OF JULY 9, AND SINCE BY THEN WE SHOULD HAVE THE REPORT OF THE WORK ON CRYSTALLIZING BY STRUTHERS WELLS, AND SOME FURTHER RESULTS FROM OUR PILOT PLANT, WE FEEL THE TIME WOULD BE OPPORTUNE FOR A MEETING AT GIANT THAT WEEK OF THOSE CONCERNED WITH ARSENIC UPGRADING - I.E. FRANK PICKARD, PAT RALEIGH, RON HATCH AND YOURSELF.

COULD YOU ARRANGE TO NOTIFY OTHERS. ALSO WANT TO KNOW YOUR REACTION TO OUR DRAFT LETTER TO BILLING AND WATER BOARD.
