Dear Don,

This letter will confirm our meeting of March 31, 1981 and Koppers agreement to the changes in the Price Clause of the Giant Yellowknife/Koppers Arsenic Trioxide contract provided in my letter to J.D. Hite dated February 20, 1981. As agreed, the new pricing terms will become effective on material to be priced after March 31, 1981.

Don, we will prepare an ammendment to the Agreement and hope to have it in your hands in about 2 weeks.

Yours Very Truly,

D.N. Zeraldo
