Mr. R. Capowski
Project Engineer
Air Pollution Control Section
Environment Canada
804, 9942 - 108 St.
Edmonton, Alberta
T5K 2J5

Dear Mr. Capowski:

In response to your request to perform a stack emission survey July 10-15, 1978; we are prepared to accommodate you during this period.

We will conduct a stack emission survey during this same period, to coincide as nearly as possible with your survey.

Thank you.

Yours truly,
