Dear John:

Thank you for your letter of August 1 and enclosures.
Koppers certainly looks like a well diversified Company with an enviable
growth and earnings record.

Our General Manager, Bill Moore, has contacted Government
here with regard to arsenic transfer operations and we will get this to
you as soon as available.

I expect to be in Toronto during the last week in August
and possibly for the first week in September where I can be reached c/o
Falconbridge Nickel Mines Limited (416-863-7000) should there be anything
further you wish to discuss.

With best regards,

Sincerely yours,
