To: Bill Cullen, University of British Columbia

Re: Giant Mine Arsenic Trioxide Technical Workshop Presentation.

This letter is to confirm that you are presenting **Option number 2: Stabilization/Solidification** at the Giant Mine Arsenic Trioxide Technical Workshop to be held in Yellowknife on June 22, 23 & 24, 1999. At this time I would like to request that the following information be returned to me no later than June 9, 1999:

- A one page biography/CV including education and experience in the field.
- A one page abstract of the option you are presenting.
- An outline of the audio-visual equipment you will need for your presentation. Overhead transparencies are recommended.

I have enclosed the following items for your information:

- A detailed draft agenda for the workshop.
- The purposes and objectives of the workshop.
- A guideline for you to follow as you prepare your presentation.

It is important that your presentation include each point outlined in the presentation guideline. The quality and content of your presentation will be a strong determining factor in how it will be evaluated by your peers at this workshop. Please keep in mind that time is an issue. **Your presentation shall not exceed 30 minutes**, with an additional 15 minutes for questions from the other participants. You will be limited to this time, so please ensure that you frame your presentation accordingly.

If you have any questions or concerns please do not hesitate to contact me at (867) 920-4555 or gstrong@dillon.ca. Thank you for your cooperation, I look forward to hearing from you.

Sincerely,

Gary Strong
