Dear Mr Paquin

Re: Air Quality Legislation

Further to our telephone discussion Friday August 21, 1995 I will arrange a conference call between your office and principles of Royal Oak Mines Inc, to review development of legislation which will regulate air quality from gold milling operations in the NWT. In this regard we will call your office at 11:00 am Friday August 25, 1995. Thank you for your consideration in this matter.

Yours sincerely,

Royal Oak Mines Inc
