Director  
Mackenzie Zone  
Northern Region Medical Services  
Dept. of National Health & Welfare  
P.O. Box 520  
Yellowknife, N.W.T.    X0E 1H0

Dear Dr. Uygur:

I was approached recently by the Edmonton Journal regarding preliminary information on studies of the distribution of arsenic resulting from air emissions from Giant Mines.

I discussed the contents of the attached with the reporter and reviewed the reference to the information in his article prior to his filing it.

For your reference.

Yours truly,

  
C. A. Lewis  
District Manager
