Thank you for your memo of February 10, 1975 re the above.

It is not necessary for copies of all information to be sent to Branch Headquarters but I would appreciate a brief monthly report on progress made, problems encountered, etc. in order that we can keep up-to-date to deal with queries received from the press and others. The information should be sent to my office and will then be forwarded to Dr. Patterson for his information. Thank you for your cooperation.
