Dear Mr. Dafoe:

I think I would be remiss if I did not express to you my most sincere thanks for the expeditious and thoughtful manner in which members of your Executive Committee went about the establishment of selection criteria and the appointment of the three persons who will be members of the Task Force.

Officials of my Department will be pleased to meet with you, as required, to assist you in the preparation of the tremendous task ahead of the group. You may rest assure of our entire cooperation throughout the whole study.

Again, many thanks to all of you and my best wishes to the three members of the Task Force for the success of their study.

Yours very truly,

Bruce Rawson
