January 9, 1969.

SUBJECT  
Sujet

Arsenic Surveys of Yellowknife Bay, N.W.T.

*Sept 30/69  
M17*

Attached for your information are copies of the following reports submitted by Mr. J. W. Grainge, Regional Engineer, Edmonton, Alberta:

1. Arsenic in Yellowknife Bay, Yellowknife, N.W.T. dated November 28th, 1968 and covering major and minor studies carried out during June, July and August, 1968.
2. Arsenic in Yellowknife Bay, Yellowknife, N.W.T. dated December 18, 1968 and covering a special study undertaken October 29, 1968.

Analytical data recorded in both these reports were circulated immediately following the completion of the laboratory analysis.
