Sujet

Arsenic at Yellowknife

TO	FOR INQ.	FOR ACTION	REMARKS	DISPOSAL AND DATE
PMB				

In reply to your memorandum of October 23 on this subject, I would like to suggest that Mr. R. E. Tait be added to the inter-Branch consultative group consisting of Dr. Frost, Dr. Morrison and Dr. de Villiers. As you know, Public Health Engineering has been closely involved with Medical Services and with Indian Affairs and Northern Development in connection with water matters in the Yellowknife area and I feel that Mr. Tait would be able to provide useful input to the Committee.

I am sending a copy of this memo to the members of the Committee for their information.
