Dear Sir:

Re: Project (EPCA) - Waste Analysis - Yellowknife

Please find attached for your information a copy of the results received from Mr. Robberstad at Ottawa.

We understand that you have received this information by telex.

Recently, we requested Mr. Gillis by telephone to submit to Mr. Robberstad direct with a copy to this office, an indication on a map the locations of the samplings of these various samples. At the same time I requested a copy of this memo to this office. To date we have received no such copy and we wonder whether this information has been sent to Mr. Robberstad. If not, we would be obliged if he could submit this information to Mr. Robberstad at the earliest possible moment.

Yours truly,

B. V. Davis

for: W.D. Charles,
Officer in Charge - Northern Alberta District.
