

As 203 Test Sample - 20 tons req'd

William Blythe and Co. Ltd
Church Acreington
Lancashire → Lancashire, U.K.

TEL # 0254-37211

bought 85% of Applied Research

Tom Robson - mg. Director - called D.J.E.

Colin Dawson - Acc'ts mgr. (called Jim re: May re: sample)

The above would like an 18 → 20 ton sample of our present production. Also they would like a 5 kg sample sent over immediately. In addition they are interested in the contents of our older stores. Brian Cobb to find.

rates for discussion @ H.G.T.:

150 → 200 drums req'd @ approx \$40 ea
i.e. \$6000 → \$8000

Very concerned @ loading barrels.

Note.
